

EG - Declaration of Conformity

As defined in the directive 97/23/EG for pressure equipment
appendix VII

The manufacturer:

müller co-ax ag
Gottfried-Müller-Strasse 1
D-74670 Forchtenberg

herewith declares that all products in the scope
valves and valve assemblies

In the pressure range 0 – 500 bar, with nominal size 1,5 – 1000 mm
fulfil the safety requirements of

Directive 97/23/EG

of the European Parliament and Council dated 29. May 1997 for the adaptation of legal provisions of member states for
pressure equipment and have been scrutinized in accordance with the following conformity evaluation procedure:
